

COMPLETING THE DOCTOR OF PSYCHOLOGY IN CLINICAL PSYCHOLOGY PROGRAM IN FOUR YEARS (ADVANCED TRACK)*

Some students, because of their previous graduate experience, clinical acumen, or ability to commit their full attention to the doctoral program, may seek approval to complete their degree in less than five years, or apply to internship before completion of their therapy practicum. The faculty is committed to ensuring that these students meet the rigorous requirements of pre-doctoral internship placement and have achieved the highest level of required competency. Students seeking this track should meet the following standards:

- Doctoral GPA of 3.75 or higher
- Completion of their MACL (either at the American School of Professional Psychology (ASPP) at Argosy University, Schaumburg Campus or other regionally accredited institution)
- No grades below “B-” on their ASPP transcript
- Satisfactory yearly student reviews
- No referral to the Student Professional Development Committee
- Satisfactory reviews from all practicum sites
- A score of “High Pass” on at least one portion (written or oral) of the Diagnostic CCE and a minimum score of “Pass” on the other portion
- Letter of endorsement from their advisor
- Written letter to the program chair stating their intention to pursue the Advanced Track

All students who are applying for internship **BEFORE completing** their psychotherapy practicum **MUST** complete the Advanced Track application. **This application is due by June 17, 2011.** Even those who transferred into the PsyD program after completing a terminal masters degree at Argosy must apply for Advanced Track.

American School of Professional Psychology
Application for Advanced Track Status
Doctor of Psychology in Clinical Psychology Program

Name _____ Student ID or last four digits of SS No. _____

Year entered PsyD program _____

Phone No. _____ Email Address _____

Students seeking approval to complete their PsyD degree in less than 5 years, or wishing to apply to internship before completion of their therapy practicum, must obtain verification of the following requirements:

Requirement	Verified by (name/title)	Signature
Doctoral GPA of 3.75 or higher	/Registrar	
Completion of MACL degree	/Registrar	
No grades below B- on Argosy/ASPP transcript	/Registrar	
Satisfactory yearly student reviews	/Advisor	
No referral to the Student Professional Development Committee	/Committee Chair	
Satisfactory reviews from all practicum sites	/Clinical Training Director	
A score of High Pass on at least one portion (written or oral) of the Diagnostic CCE and minimum score of Pass on the other portion	/Clinical Training Director	

In addition, students must submit:

- a letter of endorsement from their advisor and
- a written letter to the Program Chair stating their intention to pursue the Advanced Track and
- an unofficial copy of their transcript.

Completed forms should be submitted along with the required documentation to the Registrar. The Registrar will retain a copy of all documents for the academic file and forward originals to the Program Chair for review. After the Program Chair has approved or denied the application, the original documents will be sent back to the Registrar. The student, the student's advisor, and the Clinical Training Department will be notified of decision.
